Motion: Donate the dress to the Marjorie Russell Textile Museum with the caveat that they restore it and preserve it. (Motion: Dan; Second: Glenn) -- Motion Passed

OLD BUSINESS

- 1. Report: Depot Committee – Rebuild status – Stony Tennant et al.
 - a) The “Hold Harmless” agreement has not yet been signed by the insurance company, but they are in agreement.
 - b) Progress has appeared to stop because Dave Bates has been cutting the boards needed, and has an order placed for the rest of the timber needed.
 - c) The plan calls for green, pressure-treated lumber for the ramp. That is not historically correct so it has been amended.
 - d) Dave Bates estimates he will finish in September or October.
- 2. Reviewing Action Item List – Everyone (See Attachment 2)
 - a) AI 78: Motion: Add an outdoor camera to be mounted on the barn looking towards the street. (Motion: Dave; Second: Glenn) – Passed
 - b) AI 289: Motion: Accept the depot design without Dayton on the building. (Motion: Dave; Second: Laura) -- Passed with 2 abstentions.
 - c) AI 289: Motion: Purchase 500 medallions for \$8 each plus overhead fees, not to exceed \$5,000. (Motion: Becca; Second: Glenn) – Passed
 - d) AI 315: Motion: Glenn to purchase another computer, spending up to \$500. (Motion: Becca; Second: Dan) -- Passed
- 3. Update on Dayton Main Street project – Dan
 - i) They are planning a fund-raiser in November.

4. Update on Cemetery Project – Becca
 - a) Karen Howe has been ill but still wants to meet with Becca and Laura once she feels better. Linda requested to be included.
 - b) Becca has been meeting with Doug Homestead, Lyon County Facilities Director, to coordinate plans. He is open to giving us access to edit displayed data once the cemetery is brought online.
 - c) Becca has been talking with Jason Habing from “Cemify”, an online cemetery mapping and management service. It can handle the types of data we might want to enter, including photos and transcription. Initial focus would be on the new section as it is easier and helps Doug the most. Cost proposal to add Dayton to Lyon County’s existing service is \$5,500. FYI: Julie and Mike Workman like the idea of using “Cemify”.
 - d) Doug is willing to put the “Cemify” cost in his budget for next year, and hope it gets approved, but that would not happen for at least a year. Becca submitted a \$10K grant request to ChangeX to see if we could get the money that way.
 - e) In the long-term, HSDV would build our own genealogical/historical website and share links back and forth with “Cemify”. Becca has started entry of some basic information.
5. Membership renewal update – Vicki
 - a) Not very successful at getting renewals.
 - b) The Word/PP interface broke which limits our ability to print letters but this is being worked on.
 - c) Vicki will mail letters this week to see if we can get more renewals.
6. Prepare for Dayton Valley Days -- All
 - a) See AI 234.
7. Monthly walking tours – Dave, Vicki, Laura, others?
 - a) See AI 308
8. Approve long-range plan – Linda
 - a) There was confusion about how to comment on the document. Everyone should send their comments to Linda.
 - b) Discussion, if needed, will be held next month,

NEW BUSINESS

 - a) Name it after the family that founded Break-A-Heart ranch – Richard Conklin.
 - b) Motion: Name it “Immigrant Trail State Park”. (Motion: Dan; Second: Becca) -- Passed

We should do these everywhere in the town that we can. (Linda looking into where we can get the plaque made.) May-25: Glenn got quotes from foundries but very expensive. Linda to investigate if she can 3D print them. Although that won't hold up as well, it might be cost effective. Jun-25: Linda wants to get the right words for 1 plaque from Stony to make up as a trial.
